DSTL

The Defence, Science and Technology Laboratory (Dstl) attracts world-class scientists, technologists and engineers. It works on innovations with top minds in academia and industry to protect the UK and its allies, counter threats, and save lives. Dstl gives the Ministry of Defence a winning edge and helps boost national prosperity.

Royal Navy

In times of peace and conflict, the Royal Navy is key to Britain's prosperity and success. We help to stabilise the seas, keeping the maritime trade that's the lifeblood of the UK economy flowing. We act as a guardian and a diplomat, as a humanitarian force for good, and a peacekeeper on the global stage.

Thales

You solve problems. You look at things from different angles. You're curious about the world around you. That's exactly the way an engineer thinks. And exactly the sort of mindset we're looking for at Thales.

So, if you want to earn while you learn and develop skills that thousands of businesses desperately want, join our Apprenticeship scheme.
